

CRITICAL CARE PROTECTION

Protecting their stability during an illness isn't just smart. It's critical.

Serious illnesses such as a heart attack or stroke can have a serious impact on your employees' financial health. But **Aflac Critical Care Protection** insurance can help provide the financial peace of mind they need in the event of a serious health event.

Give your employees extra protection to face the unexpected.

Even if your employees have medical insurance, it's usually not enough to cover every expense. But **Critical Care Protection** gives them a lump sum benefit upon diagnosis of a covered health event, with additional benefits paid for things like hospital stays and continuing care. The cash benefits help with the expenses major medical doesn't cover, helping you better protect your employees — at no cost to your business.

In addition to delivering cash benefits, Aflac offers:

- **One Day Pay**,SM only from Aflac¹
- **Cash benefits** paid directly to your employees² to use as they see fit
- **Guaranteed renewable** as long as the premium is paid
