Basic eligibility requirements

Earnings during the base period: The "base period" is a one-year period that includes four calendar quarters. To establish a claim, an individual must have earned two times the annual average weekly wage in Maine in each of two different calendar quarters, and a total of six times the annual, average, weekly wage in Maine in the whole base period. In most cases, the Department of Labor has your wage information on file. If it is not on file, the Department will take steps to obtain it.

Separation: If you were laid off from your last job due to a lack of work, no additional investigation is required. If you separated from your last job for reasons other than lack of work, you will be scheduled for a fact-finding interview. A determination will then be made regarding your eligibility for benefits.

Weekly requirements: Weekly eligibility requirements include being **able to work** and being **available** for work, making an **active search for work** (unless your work search has been "waived"), not refusing offers of suitable work or referral to suitable job opportunities from the CareerCenters.

Aliens: If you are not a U.S. Citizen, your Social Security Number and/or your Alien Permit number will be checked with the Department of Homeland Security, Immigration and Naturalization Service.

Unemployment benefits are taxable: Unemployment benefits are taxable and have to be reported when you file your income tax forms.

Child support: If you owe child support that you pay to the Department of Health and Human Services (DHHS), up to fifty percent (50%) of your unemployment check may be withheld and sent to DHHS.

Benefits for partial unemployment: An employer shall issue a properly completed partial unemployment claim form to each employee who is customarily employed full-time and who is given less than full-time hours during a week due to lack of work, and who is not separated from that employer.

Minimum Wage

Labor Laws of the State of Maine provide protection for people who work in Maine. The Maine Department of Labor administers the laws, which all employers must follow. Department representatives inspect workplaces to ensure compliance. Citations and penalties may be issued to employers who do not comply.

Maine Law (Title 26 M.R.S.A. § 42-B) requires every employer to place this poster in the workplace where workers can easily see it.

This poster is provided at no cost by the Maine Department of Labor and may be copied.

Minimum Wage is \$11.00 per hour effective January 1, 2019

Minimum Wage

Under Maine labor laws, any business operating in the state with one employee is automatically covered by state law. This includes all public and private employers regardless of profit or size. Effective January 1, 2019, the minimum wage in Maine is \$11 per hour.

Municipal Minimum Wage Ordinances

Employers with employees who work in Bangor and/or Portland or any other municipality that passes a local minimum wage ordinance, may be subject to additional regulations and should check with municipal officials.

Service Employee

A service employee is someone who regularly receives more than \$30 a month in tips. As of January 1, 2019, employers must pay a direct wage of at least \$5.50 per hour to service employees. If the employee's direct wage combined with earned tips do not average, on a weekly basis, the state required minimum wage, the employer must pay the difference.

Overtime

Unless specifically exempted, employees must receive overtime pay for hours worked in excess of 40 in a workweek at a rate not less than time and one-half their regular rates of pay. Employers have the right to allow or deny overtime, but if overtime is worked, it must be paid in accordance with state requirements. Compensatory or "comp" time cannot be used by private-sector employers, although private-sector employers can allow employees to flex their time within the workweek (but not the pay period if the pay period is longer than a seven day cycle in the workweek).

Exemptions from Overtime

Maine statutes incorporate by reference the salary requirements under the Fair Labor Standards Act (FLSA). The new minimum salary requirement will be \$634.62 per week as of January 1, 2019. Salary is only one factor in determining whether a worker is exempt from overtime under federal or state law. The duties of each worker must be considered as part of this analysis. Failure to adhere to both requirements—meeting the duties test and the weekly salary threshold—will result in violations of both federal or state law or of one jurisdiction or the other depending on the discrepancies in the laws.

Statements to Employees

Every employer shall give to each employee with the payment of wages a statement clearly showing the date of the pay period, hours worked, total earnings and itemized deductions.

Recordkeeping

Employers shall keep, for three years, accurate records of hours worked and wages paid to all employees.

The Department of Labor enforces state wage and hour laws. Employers with questions about the law may call 207-623-7900 or may visit the department's webpage.

Notice to Employees:

State law requires your employer to provide workers' compensation insurance for its employees. Workers' compensation insurance provides benefits to employees who are injured at work.

If you are injured at work, NOTIFY YOUR EMPLOYER AT ONCE. You may lose your right to receive benefits unless your employer is notified within 30 days of your injury. Your claim is also subject to a two year statute of limitations. Worker advocates are available at the Workers' Compensation Board to help injured workers.

It is against the law for employers to misclassify employees as independent contractors for the purposes of avoiding workers' compensation insurance, unemployment coverage, or other employer paid taxes and withholdings. For more information on laws pertaining to the hiring of independent contractors, visit the Worker Misclassification Task Force website at www.maine.gov/labor/misclass.

If you have any questions about your rights, please contact one of the regional offices.

A l'intention des Employés:

D'après les lois de l'Etat du Maine, votre employeur est tenu de souscrire à une assurance indemnisant ses employés victimes d'un accident du travail.

Si vous êtes victime d'un accident du travail, PREVEZ VOTRE EMPLOYEUR IMMEDIATEMENT. Passé un délai de 30 jours, vous risquez de perdre vos droits à l'indemnisation. Au-delà de deux ans, votre déclaration n'est plus recevable. Pour aider les victimes d'un accident du travail, le Workers' Compensation Board met des conseillers juridiques à leur disposition.

La loi interdit aux employeurs de classer fallacieusement leurs salariés comme étant des contractants privés aux fins d'échapper à l'assurance compensatrice-employé, aux

indemnités de chômage, ou aux autres charges et retenues dues par employeur. Pour plus de détails sur la législation relative à l'utilisation des services privés, visitez le site internet de Worker Misclassification Task Force (Unité anti-fraude en matière de classification des salariés) : www.maine.gov/labor/misclass.

Si vous n'êtes pas sûr de vos droits, veuillez contacter l'un des bureaux régionaux.

Aviso a los Trabajadores:

La ley del estado de Maine requiere que su empresario proporcione el seguro de compensaciones para el trabajador a todos los trabajadores. El seguro de compensaciones para el trabajador proporciona beneficios a los trabajadores accidentados en el trabajo.

En caso de sufrir accidente o daño laboral, NOTIFIQUELO INMEDIATAMENTE A SU EMPRESARIO. Podría perder el derecho a recibir compensación a menos que su empresario sea notificado de este accidente o daño en el plazo de 30 días. Así mismo esta reclamación debe hacer referencia a un accidente o daño que no haya ocurrido hace más de dos años. Los defensores del trabajador están disponibles para proporcionar ayuda a los trabajadores accidentados en el Consejo de Administración de Compensaciones para el Trabajador (Workers' Compensation Board).

El hecho de no clasificar a los empleados como contratistas independientes, con el propósito de evitar el seguro por compensación al trabajador, cobertura para desempleados, u otros impuestos pagados y retenidos por el empleador; está en contra de la ley del empleador. Para mayor información acerca de las leyes pertenecientes a la contratación de contratistas independientes, visite el Worker Misclassification Task Force en la página web de www.maine.gov/labor/misclass.

En caso de tener cualquier pregunta sobre sus derechos, favor de dirigirse a una de las oficinas regionales de compensaciones para el trabajador.
